#### 8. Challenge

The Challenge will be class based. The competitor with the highest number of points in each class will be the class winner. Competitors can accumulate points from all rounds except 2. A competitor scoring points in additional qualifying rounds will drop the lowest score(s) achieved from any individual round(s).

The 8 highest scores will count

Should the number of eligible events reduce the following will apply:

9 rounds – 7 to count

8 rounds – 6 to count

7 rounds – 6 to count

5 rounds or less – ALL to count

9. Classes

- a. Class 1 – 2 wheel drive production cars registered on or after 1.1.98 and driven to the venue.
- b. Class 2 – Front wheel drive production cars
- c. Class 3 – Rear wheel drive production cars
- d. Class 4 – Modified Production Cars and Kit cars and those cars not qualifying for Class 1, 2 or 3

(ref. 'Blue Book' T11 Class 1, 2, 3 and 4 see end of regs. for detailed extract)

Class 4 will also include any car which is not eligible for Class 1, 2 or 3

Classes may be split (e.g. on engine size) by individual event organisers but Challenge points will be calculated based on the classes listed above

10. Eligibility rules will be as the standard rules applied to each event.

11. Awards will be presented as follows

- a. An overall award for the highest overall score within any one class
- b. 1<sup>st</sup> in each class
- c. 2<sup>nd</sup> in each class - subject to there being 3 or more competitors with qualifying scores within the class
- d. 3<sup>rd</sup> in each class – subject to there being 5 or more competitors with qualifying scores within the class

Challenge tables will be updated after event results are published and awards will be distributed within two weeks of the final Challenge tables being published

12. To be eligible for an award a competitor must have scored points in at least 50% (or number rounded down) of the qualifying rounds.

13. A competitor can only win one award.

14. Scoring on all events will be based on class positions as follows:

1<sup>st</sup> 15 pts, 2<sup>nd</sup> 13 pts, 3<sup>rd</sup> 12 pts, and so on, until 14<sup>th</sup> and lower 1 point.

Additional points can be scored, see paras 17, 18 & 19.

15. Ties will be decided in favor of the driver with the greatest number of maximum Challenge point scores and if this fails to resolve the tie, the greatest number of next highest scores, and so on.

16. Where an event runs under a dual permit (Inter Club & Clubmans), for the purposes of calculating Challenge point scores, it will be treated as two separate events with only competitors in the Clubmans event qualifying. If a competitor in the Inter Club event has scored points on at least 3 other Challenge rounds, then that competitor's Inter Club result will be merged into the Clubmans results before the Challenge point scores are calculated.

17. Organiser points: Competitors electing to organise a 2022 Trials Challenge event, Clerk of Course / Secretary / Entry Secretary / Chief Marshal / Marshal, will be awarded points,

equivalent to a maximum AutoSOLO Challenge class score (15 points). Organiser points can only be awarded for organising one 2022 Trials Challenge event.

18. Organiser points will be accumulated separately and will not affect the maximum number of rounds (para 5).

19. Organiser points will be awarded automatically.
